- (2) MEETING OF THE FEE REGULATORY COMMITTEE HELD ON 18.07.2025

Pronounced on ➤ 07th August 2025

ORDER

✍ J.D.T Islam College of Pharmacy, Kozhikode [for short, the College] has been conducting various Pharmacy Courses, namely, (i) Bachelor of Pharmacy [BPharm], (ii) Master of Pharmacy [MPharm] and (iii) Diploma in Pharmacy [DPharm] in the academic year 2025-26. The College has

obtained affiliation orders from Kerala University of Health Sciences and No Objection Certificate from the Government of Kerala for conducting aforementioned courses.

2. Principal of the College, by communication referred to as 1st paper above, has submitted the fee proposal before the Fee Regulatory Committee [for short, the Committee], and requested to enhance the existing rate of fees structure based on the Consumer Price Index [CPI] for the State of Kerala as published by the Central Government for the academic year 2025-26. Existing fee structure which was collected by the College for the academic year 2024-25 is as follows:

SL NO	COURSE NAME	FIXED FEE FOR THE ACADEMIC YEAR 2024-25	
		TUITION FEE	SPECIAL FEE
01	BPHARM	1,03,665	39,771
02	BPHARM N.R.I	1,58,640	39,771
03	MPHARM	1,89,310	54,995
04	MPHARM N.R.I	2,11,520	54,995
05	DPHARM	42304	3173

3. Committee took up the matter in its meeting held on 18.07.2025. On

examining the merits of the proposals submitted by the College, Committee found that the rates of revision of fees requested in the proposal are neither exploitative nor vitiated by the element of profiteering. It is pertinent to note that the Committee had passed orders regulating the fees for the same courses in respect of the students of 2024-25 batch while dealing with the request for revision of fee made by the member colleges of KSSPCMA and that the proposal submitted by the College for the current academic year is the same as was granted to the member colleges of the Association for the immediately preceding year, i.e., 2024-25.

4. In the light of the above discussion, Committee hereby allow the request for revision of fee by granting 5% increase as contained in the proposal. Hence, the tuition fee and the special fee for the Pharmacy Courses 2025-26 shall be revised as follows:
