The Allotment Memo is required to be produced before the admitting authority at the time of admission. The fee should be remitted at the allotted college during admission. The College authorities concerned should approve the list of admitted candidates through Online Admission Management System (**OAMS**) **before 4:00 PM on 30.12.2025.**

**Note:** *Those candidates who do not join the Colleges allotted within the stipulated time will lose their allotment.*

If a candidate, currently admitted in a seat allotted in the first phase,

has secured an up-gradation to a higher option in the second phase, the first seat is no more available to the candidate and, therefore, the candidate has to join the newly allotted seat within the last date of joining specified for the second phase, failing which the candidate will be left with no allotment from the state counseling at the end of its first two phases.

Those candidates, who have uploaded sworn affidavit of sponsor in case of memo for defect rectification in visa validity expired/expiring for NRI claim, have been included provisionally in the allotment. Their Allotment/Admission in NRI quota seats, if any, will be cancelled if they fail to submit the documents on or before 08.01.2026 and will not be considered for NRI seats in further allotments.

The allotment of SC/ST candidates whose category verification is pending with KIRTADS has been made provisionally. Such provisional allotment is subject to the final decision of the Screening Committee, based on the report submitted by KIRTADS.

### **Third Phase Allotment Process:**

The vacancies remaining or arising after the Second Phase Allotment, shall be filled in the Third phase Allotment. There will be facility for fresh option registration in Third Round. Applicable category conversions of seats will take place in the Third Phase Allotment.
