The Candidates can register their options online by clicking the menu **'Option Registration'** available in the home page.

The schedule for the allotment is given below:

27.10.2026	Opening of the option registration facility
31.10.2026, 10:00 AM	Closing of option registration facility

Allotment and joining Schedule will be notified later.

The list of Medical Colleges/Courses to which the Commissioner for Entrance Examinations makes allotment is provided in the Home page of the candidate. Candidates can give options as per their priority of the Courses/Colleges combinations in the option list. **A candidate need only give options to a Course-College combination if he/she is sure to join the course and college, under the chosen quota, if allotted**. The allotment to service quota seats and PwD quota seats will be conducted during the subsequent phases of allotment. However, those service quota/ PwD quota

candidates who wish to get allotment in seats other than service quota/PwD seats should give options in this phase itself. Options registered online alone will be considered for allotment to the courses. Options sent to the Office of the Commissioner for Entrance Examinations via Post/Fax/E-mail will not be processed/considered for allotment to the courses.

Candidates who seek admission under Minority/NRI quota in Self Financing Medical Colleges shall have to register options online to the desired courses/colleges in this first phase itself. Candidates who do not register options shall not be considered for allotment under Minority/NRI quota even if they are included in the respective category lists.

Candidates are requested to go through the relevant clauses in the Prospectus with regard to the Centralised Allotment Process before registering options.

The Eligible candidates, who are included in the Kerala State Merit List prepared by the CEE can register options in the first phase counselling. The allotments will be strictly based on the options exercised, the rank obtained and eligible reservations of the candidate. Candidates should register options only to those courses and colleges which they are sure to join on allotment. A security deposit of Rs. 10,000/- will have to be paid at the time of option registration. For SC/ST/OEC and other candidates who are eligible for fee concession Rs.5000/- will have to be paid as security deposit. The security deposit will be refunded to the eligible candidates after the completion of the entire counselling process.

If the candidate fails to accept the seat in the first allotment or quits the allotted seat after joining, he/she will lose the allotment/admission and all the options registered and may not be permitted to participate in the second allotment. In the second phase counselling, there is no facility for fresh option registration for the candidates. Only option confirmation/deletion/rearrangement of the existing options in phase 2 is possible. Option confirmation is compulsory to participate in phase 2. Option registration will be available only those courses which are newly added to the list at the second stage. If a candidate is allotted a seat in the first phase and joined the allotted seat, his/her higher options will be retained and all those options listed below the allotted option will automatically be deleted thus enabling only up gradation/retention in the same seat. If a candidate joined in a seat in phase 1 does not give confirmation of option in the phase 2 he will not be considered for up gradation in phase 2, but the seat joined in phase 1, if any, will be retained. So if a candidate joined in round 1 does not want upgradation in phase 2, he/she may not confirm options or delete all options registered.

After the 2nd Phase allotment, vacancies exist or arise shall be filled in the 3rd round allotment. **There is facility for fresh option registration in 3rd round**.

After the 3rd Phase allotment, if any vacancies exist or arise, those vacancies shall be filled through Stray vacancy allotment.

When a seat is allotted in a particular phase based on the valid options registered by the candidate, previous admission, if any, will stand cancelled irrespective of whether the new allotment is going to be accepted or not accepted by the candidate.
